Why Volunteer?

Your perspective as a parent is vital. You see the impact of school policies at home, and your input ensures that our expectations are fair, easy to follow, and effectively communicated. Help us build a supportive environment where every student can thrive.

Meeting Schedule

We will be holding three collaborative sessions. All meetings will take place at 10:30 AM to Noon at the Newport Welcome Center:

Friday, May 1, 2026

Tuesday, May 19, 2026

Clear expectations lead to student success.

Let's build them together.
