RE: 2026-2027 Preschool Calendar

This memo is presented for informational purposes regarding the 2026–2027 Bullitt County Public Schools Preschool Calendar.

The Preschool calendar includes a staggered start date between Session A (Monday and Tuesday) and Session B (Wednesday and Thursday). This adjustment is necessary to ensure each preschool session includes 60 instructional days during the school year. Session A will begin on August 17th, 2026, and Session B will begin on September 16th, 2026. The altered session start date is in response to known student non-instructional days that occur more frequently during the Session A schedule. By adjusting the calendar in this way, both sessions are able to have the same instructional days while maintaining alignment with district scheduling considerations.

BCPS Preschool proudly serves over 300 three- and four-year-olds in Bullitt County under the guidelines for Preschool programming at 12 school sites across BCPS.

OUR MISSION IS TO INSPIRE AND EQUIP OUR STUDENTS TO SUCCEED IN LIFE
