Letter of Recommendation

*Floyd Central Athletics – BLHS Synthetic Turf Replacement
Eastern, Kentucky
BG 26-084
RTA 22034*

Upon receipt and review of bids received on April 15, 2026, for the above referenced project, we find no reason not to recommend that a construction contract be awarded to the low bidder A-Turf, Inc. We recommend that the Board accept the base bid of \$598,900.00.

Upon selection of the contractor, the Board should make a motion to award a construction contract to bidder A-Turf, Inc.

We have attached a copy of the Bid Tabulation Form for your review. If you have any questions or concerns, please don't hesitate to contact us.

Sincerely,

Kevin McCalla, PLA, ASLA

A maximum of 10 Alternate Bids will be acceptable with each Base Bid. Do not add supplemental sheets for Alternate Bids to this document.

LIST OF PROPOSED SUBCONTRACTORS:

List on the lines below each major branch of work and the subcontractor involved with that portion of work. If the branch of work is to be done by the Contractor, so indicate.

The listing of more than one subcontractor in a work category shall invalidate the bid.

The listing of the bidder as the subcontractor for a work category certifies that the bidder has in current employment, skilled staff and necessary equipment to complete that category. The architect/engineer will evaluate the ability of all listed subcontractors to complete the work and notify the owner. Listing of the bidder as the subcontractor may invalidate the bid should the architect's review indicate bidder does not have skilled staff and equipment to complete the work category at the time the bid was submitted.

A maximum of 40 subcontractors will be acceptable with each bid. Do not add supplemental sheets for subcontractors to this document.

The bidder shall submit the list of subcontractors with the bid.

TIME LIMIT FOR EXECUTION OF CONTRACT DOCUMENTS:

In the event that a bidder's proposal is accepted by the Owner and such bidder should fail to execute the contract within ten (10) consecutive days from the date of notification of the awarding of the contract, the Owner, at his option, may determine that the awardee has abandoned the contract. The bidder's proposal shall then become null and void, and the bid bond or certified check which accompanied it shall be forfeited to and become the property of the Owner as liquidated damages for failure to execute the contract.

The bidder hereby agrees that failure to submit herein above all required information and/or prices can cause disqualification of this proposal.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

THE A-TURF, INC. WARRANTY

WARRANTORS: A-TURF, INC.
 505 AERO DRIVE
 CHEEKTOWAGA, NY 14225

OWNER:

PROJECT: **SAMPLE WARRANTY**

WARRANTY: A-Turf, Inc. (A-Turf) warrants to the Owner, subject to the limitations and conditions set forth below, that the Synthetic Turf Surfacing System (Surface) as defined below, is and will be free from defects in material and workmanship and shall, for a period of eight (8) years from the date of partial occupancy or use by Owner, or, A-Turf's substantial completion (whichever is earliest), remain serviceable for multiple sports activities. This Warranty for the Surface shall cover any and all defects for failures relating to synthetic grass seam rupture, synthetic yarn UV stability, and excessive wear and tensile strength. A-Turf further warrants that the Surface was installed in accordance with the description of the work as set forth in the Agreement.

A-Turf also warrants to Owner that the Surface (Synthetic Turf System) shall drain vertically at a rate of 10" per hour as measured by ASTM F-1551.

With the inclusion of an A-Turf specification for rubber or rubber & sand infill mix, A-Turf warrants that the average G-Max of the Surface will not exceed 125 at installation and will not exceed 165 for the duration of the 8 year warranty period, providing the client performs standard infill maintenance, which includes monitoring and adjusting infill levels so it is approximately equal to levels at installation time. Infill maintenance also requires evaluation for decomposition by an independent service provider as needed in years 5 through 8 and the hiring of such a service provider by the owner, if recommended.

When an A-Turf ShockPad is installed under the A-Turf System, all of the language in the preceding paragraph remains unchanged, but the G-Max values change as follows:

- 10mm ShockPad: 110 G-Max upon installation and 140 G-Max duration of the 8 year warranty period.
- 8mm ShockPad: 115 G-Max upon installation and 150 G-Max duration of the 8 year warranty period.

A-Turf does not warrant the percolation rate, long-term planarity or compaction of the base on which the Surface is installed, except in those cases where the construction of the base is in the scope of work for which A-Turf is contracted to perform. A-Turf disclaims all warranties as to the base. A-Turf's acceptance of the base is limited to those defects which are visible to the naked eye.

WARRANTY PERIOD: This Warranty shall be in force and effect for a period of ninety-six (96) months from the Effective Date as defined below.

RESPONSE FOR WARRANTY REPAIRS: A-Turf agrees to perform all repairs required by this Warranty within a reasonable time after receiving prompt written notice from the Owner as provided below after A-Turf carries out all inspections and tests which it may deem necessary or advisable. Any required repair shall be initiated by A-Turf within twenty-one (21) calendar days of A-Turf's receipt of the Owner's written notice requesting such repairs or within such other time frame as the Owner and A-Turf mutually agree in writing. If A-Turf makes a repair at the Owner's request and said response is not covered by the Warranty, A-Turf may charge the Owner standard repair charges.

LIMITATIONS AND EXCLUSIONS: Prior to the delivery of the Warranty, A-Turf delivered to the Owner literature concerning the maintenance procedures (the "Maintenance Manual"). The Owner agrees that it shall maintain the field in accordance with the Maintenance Manual and that the failure to do so may void this Warranty. This Warranty does not apply to any defect, failure, damage, or excessive wear caused by: (a) abuse or deliberate acts of vandalism; (b) accidents or acts of God; (c) static or dynamic loads exceeding A-Turf's recommendations; (d) use of improper cleaning or maintenance methods or equipment; (e) footwear having metal cleats, spikes, or similar projections other than conventional football, soccer or baseball shoes having plastic or rubber cleats of not more than ½" in length, and other conventional running track shoes having rubber or plastic spikes of not more than ¼" in

length, (f) owner negligence in failing to maintain the Surface in accordance with all appropriate documentation, including but not limited to keeping infill levels within 5/8" of the fiber tip on all parts of the field, or (g) use of discus, shot-put, or javelin on the Surface; use of this equipment on the Surface is strictly prohibited. Further, this Warranty is void and of no effect if the Owner has repaired or altered the Surface without A-Turf's prior written consent. In no event will A-Turf be liable to the Owner for any alleged repair or alteration to the Surface made by the Owner.

This Warranty shall be of no force and effect if A-Turf is not paid in full for the Surface and A-Turf's obligations under this Warranty are expressly contingent upon A-Turf being paid in full for the Surface. A-Turf must be paid at least 90% of its contract balance within one hundred twenty (120) days of the substantial completion of its work and fully paid within one year of the substantial completion of its work, or when the retainage is due by Contract. In the event that repairs are required which would otherwise be covered under the Warranty but for non-payment, A-Turf and the Owner may mutually agree that A-Turf shall perform such repairs on a C.O.D. basis.

A-TURF SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, SPECIAL OR INDIRECT DAMAGES EXCEPT AS STATED UNDER THIS WARRANTY. A-TURF'S SOLE OBLIGATION UNDER THIS WARRANTY IS TO REPAIR OR REPLACE ANY PORTION OR ALL OF THE SURFACE AS DETERMINED TO BE DEFECTIVE. BOTH THE EVALUATION OF THE AFFECTED AREAS AND THE CORRECTIVE PROCEDURES USED TO RECTIFY THE AFFECTED AREAS WILL BE GOVERNED BY ACCEPTED INDUSTRY STANDARDS. THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY ARE SPECIFICALLY EXCLUDED HERE AS ARE ANY OTHER WARRANTIES RECOGNIZED BY LAW.

MAINTENANCE INSTRUCTIONS: Owner acknowledges receipt of the Maintenance Manual and agrees to comply with and carry out the instructions contained in the Maintenance Manual as a condition of the Warranty, which terms and conditions are incorporated by reference here. To the extent the Owner fails to comply with and carry out said instructions, A-Turf may declare the Warranty to be void. In the event that the Owner does not have adequate records

documenting maintenance, A-Turf may declare the Warranty to be void and the Owner shall be responsible for all repairs and/or replacement at its sole cost.

CLAIMS: All claims by the Owner under this Warranty must be made in writing, in detail, to A-Turf, as set forth below within a reasonable timeframe of the Owner receiving notice of any defect.

INSPECTIONS AND TESTS: A-Turf shall be allowed to inspect the Surface during reasonable business hours regarding any claim that Owner makes under this Warranty, and to conduct such tests as A-Turf in its discretion may deem advisable. The Owner shall promptly furnish A-Turf with a copy of all written reports of any tests performed by the Owner or on the Owner's behalf and shall identify to A-Turf the name and address of any entity or individual that performs any tests, whether a report is received or not. A-Turf shall not be responsible for any costs or expenses incurred by the Owner with respect to such tests. A-Turf shall promptly furnish the Owner a copy of any reports that are generated as a result of any tests it performs.

GOVERNING LAW: The governing law of this Warranty shall be governed by and interpreted in accordance with the laws of the State of New York.

EFFECTIVE DATE: The effective date shall be the date of _____.

Started in 2020, VDiamond Turf is owned by the Flores family. We are an A-Turf certified installer based out of Houston, TX but work across the nation. We have completed over 300 projects since its opening. In 2025 we estimate about 4.5 million square feet of synthetic turf installed. We also do base work, which includes subgrade and above on sports fields builds. We currently have 6 crews with 6-7 members on each one and one construction crew. We have installed almost every major sports brand of synthetic turf out there. We typically can complete a turf installation of 90,000 SF in about 7-8 days. We pride ourselves on our flexibility to accommodate any situation and most importantly the exceptional quality of all our installations.
