Good morning Annette! I hope you are having a wonderful vacation. A cruise sounds great right about now. I believe you are set to get home tomorrow.

I have attached the renewal for your Student Accident Insurance renewal for the upcoming year. As you know, we always take your business to the marketplace to make sure you are receiving the most competitive pricing as well as the most comprehensive coverage. We were able to secure three quotes from the top student accident insurance carriers in the marketplace: Zurich (your current company), Hartford and Axis. The quotes are based on the exact same plan you currently have which is a 100% coverage for each student at Covington Independent for all school sponsored and supervised activities from \$0-\$7,500,000.

After reviewing the quotes, Zurich has come back with the best price. There will be a slight increase in premium of \$523 compared to last year. You can see that Hartford and Axis came in with much higher pricing than Zurich. Zurich continues to come in with aggressive pricing, and they are grateful for your loyalty over the years. We recommend keeping your business with Zurich for the upcoming year.

I have also attached the Extra Point Report that summarizes your loss data going back to 2020. This report is one of a kind and it is only provided by K&K Insurance, who is the company that handles your claims. If you look at the second page, you will see that 48% of your claims are coming from Wrestling (there were some large wrestling claims in 2023). Football comes in second at 25% and then softball at 12%. We believe this is useful information to see where most of your claims are coming from.

Also notice on the last page where it shows "Leading PPO Discount Providers". This indicates the savings that K&K has been able to negotiate with the top medical providers for Covington Independent. K&K reaches out to these providers to make sure that if a Covington Independent student gets injured, that they are getting the absolute best price for the services. K&K carries a big stick because they insure so many kids across Kentucky. As you can see, the savings are quite substantial over the last 6 years.

Please let me know what questions you have Annette. We are very grateful for our partnership with Covington Independent Schools! I hope you have a safe trip home.
