Hi Eddie,

Our fee quote for the FY26 audit for Anchorage Independent School District is \$36,050 and is comprised of a base audit fee of \$35,000 plus a 3% technology fee (new for 2026 for LBMC). Please let me know if you have any questions or if there is any additional information I can provide.

Thanks for allowing us the opportunity to provide a quote, I appreciate you thinking of us.

Meaghan
