Re: Team Leaders

Mt. Washington Elementary is seeking approval to appoint four additional team leaders. These leaders will act as a bridge between the administration and grade-level teams. They will convene monthly to discuss school needs and develop strategies to address them. The additional team leaders are necessary to ensure that each grade level/team has proper representation.

The additional team leaders will be funded through Sec 6 Funds, as approved at the Site-Based Decision Making Committee meeting on April 21, 2026.

Thank you and please let us know if we need to submit additional documentation.

Sincerely,

Leslie Weihe
