# ISSUE PAPER

**DATE:**

May 14, 2025

**AGENDA ITEM (ACTION ITEM):**

Receive 2026 Summer Food Service Program dates, times, locations.

**APPLICABLE BOARD POLICY:**

Food/School Nutrition Services 07.1

**HISTORY/BACKGROUND:**

The Summer Food Service Program (SFSP), also known as SUN Meals, is a federally funded, state administered program. The Student Nutrition Department will receive federal reimbursement for meals served to children in low-income areas. The district will be serving breakfast and lunch at one school and lunch at three community sites throughout the summer. Please see the attachment for the specific dates, times, and locations of each summer program.

**FISCAL/BUDGETARY IMPACT:**

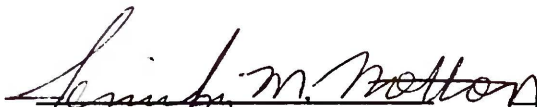

The 2025 SFSP cost \$20,986.07. The federal reimbursement was \$21,799.38. Two sites were added last year that were expected to have high participation. However, these sites underperformed – even with additional advertising and meal service time modification. Therefore, these two sites will not be open this summer. Another low performing school site will also not be open this summer. Because one of our other community sites, a Kenton County park, has seen consistently high participation year after year, likely due to fun enrichment activities by the park district, an additional park site will be added this year.
