Re: **Letter of Recommendation**
Mercer County Athletic Improvements Phase 2
Harrodsburg, Kentucky
BG 23-211
RTA 2229

Upon receipt of bids received on April 23, 2026 for the above referenced project, we have reviewed the bids and related documents submitted by the bidders.

After careful consideration we find no reason not to recommend the award to the low bidder for the Base Bid amount plus Alternates 1, 2, and 5 per the Bid Tabulation. The Board may also award Bid Packages 8 and 11 via State Price Contract (and reject bids for Bid Package 8 in that case).

Upon selection of the contractor, the Board should make a motion to award a construction contract pending approval by the Kentucky Department of Education. The Board should also approve a revised BG1 form which reflects the construction contract total.

If you have any questions or concerns, please don't hesitate to contact us.
