Spring Archery

**Championship  
Update/Review**

We had another fantastic Archery State Championship this year. Attendance increased compared to last year, with a full roster of archers competing. More than 100 schools were represented across both team and individual events. The Central Bank Center once again proved to be an excellent venue for hosting this competition.

**Staff and Worker  
Update**

Thank you to Henry Clay Football for assisting with set up for the event.

**Noteworthy Changes /  
Anticipates Changes**

There is room to expand the field of archers in future years.
