Positive Developments and Highlights

In its's second year, the lacrosse regular season seemed to run much smoother than last year.

Issues of Concern (legal, playing Rules, fiscal management, etc.)

We still are not seeing much growth in the sport. Only one school added a team for the 25-26 school year.

Championship Update/Review

Postseason play begins May 6, with local schools hosting district tournaments. After districts conclude, teams will host the two regional rounds, with the final four advancing to the state tournament. This year's semifinals and finals will take place May 18–20 at Great Crossing High School.
