NFHS Legal Meeting

**Takeaways to help
Board and Staff**

This meeting/conference continues to be a good conformation of the issues faced (legally) by a majority of state associations across the country. This also serves as the key opportunity to network with other executive directors and legal counsels in this associations. It is not uncommon to reach out to one another throughout the year when we are aware they may have some insight or recent experience with an issue faces by the KHSAA.

General Commentary

This year's topics included insurance issues (IP), public/private controversies, First Amendment litigation, Sport officials (judicial review), NIL, Legislative involvment, Transfers, and Due Process. Each of these topics have been directly relevant tot the Association this year. Further issues reagrding Transgender participation, Bias, AI, Coach suspensions, and the NCAA were also topics of discussion.
