This Authorization will confirm that Customer desires to engage Ricoh USA, Inc. ("Ricoh") to pick-up and remove certain items of equipment that are currently (i) owned by Customer or (ii) leased from Ricoh or other third party (as specified below), and that you intend to issue written or electronic removal requests (whether such equipment is identified in this Authorization, in a purchase order, in a letter or other written form) to Ricoh from time to time for such purpose. Such removal request will set forth the location, make, model and serial number of the equipment to be removed by Ricoh. By signing below, you confirm that, with respect to every removal request issued by Customer (1) Ricoh may rely on the request, (2) the request shall be governed by this Authorization, and (3) Ricoh may accept this Authorization by either its signature or by commencing performance (e.g. equipment removal, initiating Services, etc.). Each party agrees that electronic signatures of the parties on this Authorization will have the same force and effect as manual signature. Notwithstanding the foregoing, the parties acknowledge and agree that Ricoh shall have no obligation to remove, delete, preserve, maintain or otherwise safeguard any information, images or content retained by, in or on any item of equipment serviced by Ricoh, whether through a digital storage device, hard drive or similar electronic medium ("Data Management Services"). If desired, Customer may engage Ricoh to perform such Data Management Services at its then-current rates. Notwithstanding anything in this Authorization to the contrary, (i) Customer is responsible for ensuring its own compliance with legal requirements pertaining to data retention and protection, (ii) it is the Customer's sole responsibility to obtain advice of competent legal counsel as to the identification and interpretation of any relevant laws and regulatory requirements that may affect the customer's business or data retention, and any actions required to comply with such laws, (iii) Ricoh does not provide legal advice or represent or warrant that its services or products will guarantee or ensure compliance with any law, regulation or requirement, and (iv) the selection, use and design of any Data Management Services, and any and all decisions arising with respect to the deletion or storage of any data, as well as any loss of data resulting therefrom, shall be the sole responsibility of Customer, and Customer shall indemnify and hold harmless Ricoh and its subsidiaries, directors, officers, employees and agents from and against any and all costs, expenses, liabilities, claims, damages, losses, judgments or fees (including reasonable attorneys' fees) (collectively, "Losses") arising therefrom or related thereto.

**Equipment Removal (Leased by Customer).** In addition to the terms and conditions set forth above, the following terms and conditions shall apply for equipment removals of equipment leased by Customer: Except for the obligations of Ricoh to pick up and remove the identified equipment, Ricoh does not assume any obligation, payment or otherwise, under any lease agreement, which shall remain Customer's sole responsibility. As a material condition to the performance by Ricoh, Customer hereby releases Ricoh from, and shall indemnify, defend and hold Ricoh harmless from and against, any and all claims, liabilities, costs, expenses and fees arising from or relating to any breach of Customer's representations or obligations in this Authorization or of any obligation owing by Customer under its lease agreement.

## **CONSUMER DISCLOSURE**

From time to time, RICOH USA Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact RICOH USA Inc.**

Please contact your Ricoh Sales Executive directly for any questions or to change your preferred contact method.

**To withdraw your consent with RICOH USA Inc.**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent
