Spring Bass Fishing

**Issues of Concern  
(legal, playing Rules,  
fiscal management,  
etc.)**

A few situations arose during the regional tournaments which we will take steps to try and avoid in the future. Some of the issues were caused by individuals being misinformed and others through rules differences between KHSAA and MLF/TBF events.

**Championship  
Update/Review**

The 2026 KHSAA State Bass Fishing Championships presented by UK HealthCare are slated for May 8-9 at Kentucky Dam Marina. Ninety-three coed teams and 26 all-girls' teams will compete for a state title when the championships begin the morning of May 8. The weigh-ins will be streamed live each day on the NFHS Network.

**Noteworthy Changes /  
Anticipates Changes**

The KHSAA State Championships are scheduled to return to Lake Cumberland in 2027.
