Julian Tackett, Commissioner
Kentucky High School Athletic Association
2280 Executive Drive
Lexington, KY 40505

Dear Commissioner Tackett,

I am writing to confirm my support for the request submitted by Tonya Horne-Williams regarding district realignment within the 15th Region. After discussions with Superintendent Horne-Williams, I want to formally state that Magoffin County Schools would be willing to move Magoffin County High School to the 58th District should the Kentucky High School Athletic Association approve the proposed realignment that would place Lawrence County High School in the 57th District.

While the travel distances for Magoffin County High School are relatively comparable in either district, we recognize the significant travel burden that the current alignment places on Floyd County schools and their families. The proposed adjustment would help create a more geographically practical district structure within the region.

Additionally, a move to the 58th District would provide a benefit for some of our families who reside in the southern portion of Magoffin County, as travel to Floyd County schools is generally more direct and accessible for those communities.

We appreciate the thoughtful consideration being given to the impacts of district realignment on students, families, and schools. Our district supports efforts that improve efficiency and help reduce unnecessary travel demands for student-athletes across the region. Thank you for your time and consideration of this matter. Please feel free to contact me if additional information would be helpful.

Sincerely,

A handwritten signature in blue ink that reads "Chris Meadows". The signature is fluid and cursive.
