Withdrawal from district competition

Does this school desire to withdraw from postseason competition for the period of 2027 and 2028? No

Other General Commentary Including any geographic placement suggestions

Please mention any other desired comments on behalf of your school:

After reviewing the new alignment and districts we feel that geographically and financially it would be more manageable for us to be in 2A district 8 along with Belfry, Pike County Central and Shelby Valley. Martin County borders Pike County and those commutes would be much more manageable than the current district that we are in. Placing Martin County in District 8 and moving Leslie County and Knott County to District 7 would balance out the districts and give all teams in both districts shorter commutes to their district opponents.
Current travel for district games:
Knott County 324 miles round trip
Leslie County 524 miles round trip
Martin County 310 miles round trip
Travel for those teams under our proposal
Knott County 260 miles round trip
Leslie County 400 miles round trip
Martin County 280 miles round trip
With our proposal all teams would save valuable time and money that can be used to benefit the growth and development of their programs.
