RE: Magma Math

Attached is the agreement between Bullitt County Public Schools and Magma Math. Magma Math is a digital math instructional tool that supports student thinking and problem-solving. The platform provides standards-aligned content and embedded assessments with immediate feedback to teachers. The platform enables teachers to identify misconceptions during instruction and adjust in real time, strengthening classroom practices and increasing student engagement. Built-in data tools provide district and school leaders with insight to monitor progress and inform decision-making. This instructional resource is being purchased for the following schools based on benchmark data results related to math data growth and/or federal designation.

- Bernheim Middle School
- Brooks Elementary (TSI)
- Bullitt Lick Middle School
- Crossroads Elementary
- Freedom Elementary
- Hebron Middle School (ATSI)
- Lebanon Junction Elementary
- Maryville Elementary (CSI)
- Mt. Washington Middle School (ATSI)
- Overdale Elementary
- Roby Elementary
- Shepherdsville Elementary (ATSI)
- Zoneton Middle School (CSI)

The annual cost is \$112,000.00 each year for the next three years and includes professional development for the first year. The agreement will be paid out of the Curriculum, Instruction, and Assessment Department funds. This agreement has been reviewed by Dinsmore & Shohl, Inc. Approval is requested for the agreement between Magma Math and Bullitt County Public Schools.
