**Other General Commentary Including any geographic placement suggestions**

**Please mention any other desired comments on behalf of your school:** Male would object to any realignment in 6A football that has existed for many years now. The Metro Area AD Association (6/7/8 basketball regions) meets regularly and NO discussion has occurred among these member schools regarding any proposal to revise the geographic placement of teams for Football. Attempts filed to change the districts are self serving and not based on valid geographic reasons. Attempts to change the alignment due to competitive reasons is not the procedure which should be utilized to draw district boundaries.
