OLDHAM COUNTY BOARD OF EDUCATION

CONCERN:

Consider Approval of OCS District Technology Plan for 2026 - 2027

DISCUSSION:

Each year every school district is required by the Kentucky Department of Education's Office of Education Technology to prepare and approve a Technology Plan for the district.

The OCS District Technology Plan for 2026 – 2027 includes priorities and goals that focus primarily on the technical infrastructure and IT Service Management which is a continued focus of the Technology Department.

RECOMMENDATION:

Approve the OCS District Technology Plan for the 2026 – 2027 school year as presented.
