

**Curriculum, Instruction, and Assessment  
Board Agenda  
Wednesday, May 13, 2026**

**ASSESSMENT**

- Kentucky Summative Assessment and Alternate Kentucky Summative Assessment are winding down.
  - Primary testing began on 5/4 for most students.
  - There were a few hiccups early in the testing window at the high school. Everyone was positive and flexible and we were able to adapt!

**OTHER TOPICS OF INTEREST**

- The high school will be utilizing a tool called “EnlightenAI” for the 2026-27 school year. This tool will allow us to do benchmark writing testing throughout the year in the area of writing, as well as allowing the most consistent, unbiased grading possible for student writing.
  - Conversations are ongoing regarding writing policy now that the state has officially eliminated the on-demand writing test.
- Mr. Haskamp, Mr. Taylor, and I will be attending “Cincy AI Week” from June 9<sup>th</sup> through the 11<sup>th</sup>.
- Update: We are continuing to learn as much about AI and School AI policy as possible to attempt to put something in place that will be beneficial to our staff and students.
- Megan and I are working with NKCES on the Innovative Approaches to Literacy grant.
- KDE’s SBDM “train the trainer” training occurred on 4/22 in Frankfort.
- I’ll be attending NKY Works Educator Immersion Day on June 2<sup>nd</sup>.
- Summer professional development is currently being scheduled for both schools.
