Contact & Phone: Lora Stephanchick, Leopard Spot Director: (502) 222-9454
Number of Students: Up to 100 students (recommended for grades K-8)
Date: Wednesday, July 8, 2026
Arrival and Set Up: Approx. 8:45 AM
Event Time: 9:30-10:10 AM
Balance Due: \$450

About the Event

"Wacky Messy Game Show" is a live event approximately 40 minutes in length which includes five competitions:

- (1) **Pass It Along:** Audience volunteers will compete to pass a small ball, held under their chins, down a line of people.
- (2) **A Question of Pie:** Pre-selected contestants will compete to answer funny trivia questions. The team with less correct answers will be "rewarded" with a pie in the face.
- (3) **Face Picnic:** Contestants will use their faces to roll a variety of picnic supplies down a table, then assemble them into sandwiches.
- (4) **Cheese Cracker Makeover.** Teams will compete to give one of their members the most artistic "face painting" design using cheese and crackers.
- (5) **Human S'mores:** Teams will compete to see who can stick more thrown marshmallows onto a teammate's chocolate-covered poncho.

Feel free to ask for clarification on any of the five competitions. We can substitute alternate activities if a competition is not appropriate for your audience or venue.

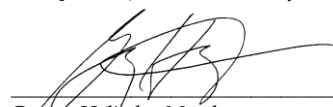

Requirements for the Show

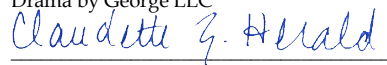

We want to bring you the best possible event! Therefore, please have the following supplies and equipment available on the day of the event.

- **"Stage" Area.** This must be an open area *at least 25' wide x 15' deep*. We'll bring a large disposable tarp and make every effort to contain the mess of the program, but we cannot be responsible for damage to floors, walls, or furniture. **NO CARPET – HARD FLOORS ONLY!** An outdoor performance may be an option; please contact us to discuss this possibility.
- **Power.** The performance requires an AC power connection. (We bring a 100-foot extension cord.)
- **Contestants.** **STUDENT CONTESTANTS WILL GET MESSY, AND ARE STRONGLY ADVISED TO BRING A CHANGE OF CLOTHES!** If weather permits, you may want to consider using an outdoor hose to rinse off the contestants after the program. The Organization should provide **SIX (6)** contestants—an equal number of boys and girls is recommended. Please choose your contestants in advance. While the performance is suitable for all ages to *observe*, we recommend students in grade 4 and up as *contestants*. **DO NOT SELECT ANY STUDENTS WITH FOOD ALLERGIES AS CONTESTANTS!**

The Fine Print

- **Your balance due must be paid in full no later than the Event date.** For your convenience, an invoice is enclosed.
- **Rescheduling or Cancellation.** In the event of severe weather or related emergencies, Drama by George will reschedule the event at no additional charge. Rescheduling for any other reason after this agreement is signed is subject to availability and will incur a surcharge of \$50. If the Organization cancels the event after this agreement is signed, Organization will pay to Drama by George a cancellation fee equal to 33% of the total contract amount.
- **Photography/ Video Recording.** (1) Unless otherwise stipulated in writing on this page, the organization grants permission to Drama by George or its designee to photograph and/ or video-record the event for the purpose of promoting future programs. (2) Non-flash photography by the Organization is permitted, provided that no photographs are used for commercial purposes. Video and/ or audio recording by the Organization are prohibited.
- **Food Allergens. For safety reasons, students with food allergies may not participate as contestants.** (They are, of course, welcome to observe from the audience.) Potential food allergens, including, but not limited to, milk, soy, egg, and wheat ingredients, may be present in various food items used during the competition. We do not use foods containing peanut ingredients in our performances, but trace amounts of nuts may be present (i.e., some items may be manufactured in a facility that also processes nuts).
