AGENDA ITEM (ACTION ITEM):

Consider/Approve a building and grounds alteration request at Summit View Academy for vinyl mesh window/door wraps at the 3 school entrances (Main, community center, and middle school entrance) and metal logo signs to installed in the hallways and gymnasium 2.

APPLICABLE BOARD POLICY:

5.11- Alterations of Buildings and Grounds

HISTORY/BACKGROUND:

The SVA Council approved a request from Julie Pouncy to have Vennefron Signs install vinyl door/window wraps at the entrances of the building as well as metal signage in the hallways and gymnasium 2. Installation of these items will increase the aesthetics of the entrances of the school, promote the branding of SVA, and improve safety by reducing sightlines into the school. It will also help visitors to our school locate their destination with use of the signage. The SVA PTSA has raised money to cover the cost of the materials and installation. Future upkeep of the window graphics will be paid for by the PTSA or SVA SBDM funds. This request has been reviewed and approved for Board consideration by the District's Operation Team

FISCAL/BUDGETARY IMPACT:

\$7,099 (PTSA will be paying for this)

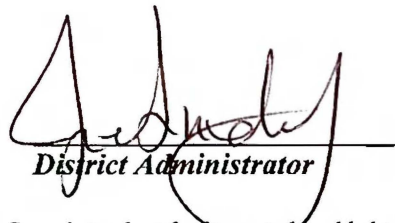

RECOMMENDATION:

Approval of building and grounds alteration request by Summit View Academy for vinyl door/window wraps to be installed on the entrances and signage in the hallways and gymnasium 2.
