

Instruction & Student Learning

- Grades 3–5 completed the KSA state testing window. Staff worked extremely hard to maintain strong instructional focus while also supporting students emotionally during testing season.
- Teachers continued implementing HQIR instructional practices with an emphasis on:
 - Lesson internalization
 - Productive struggle
 - Student engagement
 - Data-driven instructional adjustments
- Teachers remained focused on maintaining strong Tier 1 instruction through the end of the school year while also planning fun end-of-year activities and transition supports for students moving into new grade levels.
- End-of-year diagnostic and growth data collection is underway to support summer planning and student placement decisions for next year.

School Highlights & Culture

- Students and staff continue to demonstrate our Tiger PRIDE expectations daily through Purpose, Respect, Integrity, Determination, and Excellence.
- We celebrated Teacher & Staff Appreciation Week and want to extend a tremendous thank you to our PTO, families, and volunteers for making the week incredibly special for our staff. Their support and generosity were deeply appreciated.
- Students enjoyed a BMX assembly focused on perseverance, healthy habits, goal setting, and determination. The event provided an engaging opportunity to reinforce positive character traits and connect those lessons to state testing preparation.
- Character Strong lessons throughout the month focused on Courage and Creativity, helping students build resilience, confidence, and problem-solving skills both in and out of the classroom.
- Student behavior systems and consistent expectations continue to support a positive school climate. TigerPRIDE in Action structures in upper grades have helped reinforce accountability and respectful behavior throughout the building.

Family & Community Engagement

- Grandview continues to maintain strong family communication through ClassDojo, newsletters, social media, and school events.
- We appreciate the continued partnership and support from:
 - PTO
 - Bellevue Education Foundation
 - FRYSC
 - One to One Reading
 - Community volunteers and families
- End-of-year events have generated strong family participation and excitement across grade levels.
