Alicia,

PCHS plans to roll over an approximate amount of \$4,000 from the current school year to the 2026-2027 school year.

This will be after we cover our expenses for the remainder of this school year. The \$4,000 would be used to start the new school year for various supplies and starting expenses.

If you have any questions please feel free to contact Dr. Kincaid or myself.

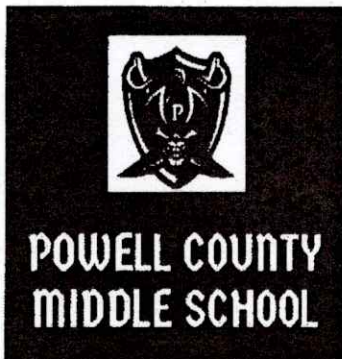

Thank you,

SBDM Rollover Request for 2026–2027 School Year**

Dear Board Members,

The School-Based Decision Making Council of Stanton Elementary School respectfully requests approval to roll over approximately \$10,000–\$12,000 in SBDM funds from the 2025–2026 fiscal year into the 2026–2027 school year budget. These funds are being reserved to support upcoming school improvement initiatives and anticipated instructional needs for the next academic year. The rollover amount will allow the council to continue providing resources and opportunities that directly benefit student achievement and school operations. The proposed rollover funds are planned for the following purposes:

- Instructional materials and classroom resources
- Student academic support programs
- Technology and equipment needs
- Start of school year supplies
- Other school improvement initiatives as determined by SBDM priorities

The council appreciates the Board's consideration and support of this request.

Sincerely,

*James Crase*
