

Members of the Powell County Board of Education,

On behalf of LifeWise Academy, I am writing to formally request conditional approval to offer a moral instruction program in your district, pursuant to KRS 158.200. This letter serves as a conditional request for our committee to begin moving forward to acquire all required elements as outlined in the statute. Any information that remains to be determined will be supplied to the Board of Education before the school board meeting preceding the first day of LifeWise classes.

LifeWise acknowledges and agrees to comply with all requirements placed upon moral instruction offerings as outlined in KRS 158.200, including all operational, safety and legal obligations.

LifeWise agrees to inform the parent or guardian of each participating student that the school district and its employees shall not incur any liability as a result of any injury sustained by the student related to participation in the LifeWise program.

We agree to indemnify and hold harmless the school district and its employees against any and all claims relating to the moral instruction offering or transportation to or from the program.
