

*Empowering & Elevating
Educational Excellence*

Dear (Superintendent)

As we prepare for the 2026–2027 school year, I would like to personally thank you for your continued partnership with Southeast/South-Central Educational Cooperative (SESC) and invite your district to renew its full membership status for the upcoming year.

Education continues to evolve at an unprecedented pace. School districts are navigating changing expectations, increased instructional demands, staff support needs, accountability measures, and the ongoing challenge of providing meaningful learning experiences for both educators and students. At SESC, we remain committed to evolving alongside our districts by designing innovative, responsive, and high-quality professional learning opportunities that create lasting impact.

Our focus moving forward is clear: supporting educators through relevant professional learning, leadership development, collaborative problem-solving, and services that strengthen instructional practices and student success. Through regional collaboration and shared expertise, SESC strives to provide practical supports that districts can immediately apply within their schools and classrooms.

As a full SESC member district, your educators and leaders will continue to benefit from:

- Access to a wide range of professional learning opportunities designed to meet the changing needs of today's educators
- Leadership networking and collaboration with regional school and district leaders
- Specialized trainings, educator supports, and innovative learning experiences across multiple content and leadership areas
- Opportunities for shared regional conversations focused on improvement, innovation, and student success
- Access to asynchronous and face-to-face professional learning options that provide flexibility for district staff
- Continued partnership with a cooperative committed to listening, adapting, and responding to district priorities

Empowering & Elevating Educational Excellence

BENEFITS OF SESC DISTRICT MEMBERSHIP

SESC continues to be a cornerstone of educational excellence in our community, bringing together educational professionals, school districts, and organizations to enhance the quality of education in our area. We believe that your organization's participation in our cooperative will be mutually beneficial and contribute to the overall growth and success of our educational community.

Membership with SESC gets:

Networking and Sharing Opportunities

As a member, you will have the privilege of participating in partner updates at SESC Board of Directors meetings. This platform provides a unique opportunity to connect with key decision-makers, share insights, and stay informed about the latest developments in the educational sector.

Access to Professional Learning Sessions

Your district will have access to available spots at all SESC professional learning sessions and organizational events. These sessions are designed to empower educators with the knowledge and skills needed to excel in their roles.

Face-to-Face Networking

SESC brings together representatives from 26 school districts in our region. As a member, you will have the chance to network face-to-face with professionals from these districts, fostering meaningful relationships and potential collaborations.

Innovative Opportunities

Through partnership with SESC, districts and their employees have the opportunity to engage in innovative and valuable opportunities, such as for teacher advancement through our Continuing Education Option (CEO) Program.

State/ National Updates

SESC is your gateway to receive national and state updates in an ever-changing educational landscape.

Publicity through SESC

Your district will be prominently featured when engaging in events and activities with SESC. Through postings on our website and social media platforms, this exposure will help increase your visibility within the educational community and demonstrate your commitment to supporting the growth and success of your district.

Access to SESC Training Facility

As an SESC partner, your district will have access to our training facility, where you can conduct trainings, workshops, or informational sessions. This well-equipped space offers a conducive environment for professional development activities.

Access to Asynchronous Modules

Membership grants access and use of our asynchronous learning modules as well. Districts can utilize these for training for their staff.

Partnering for State & Federal Grants

Membership provides opportunity for partnering in the application of state and federal grants, ultimately leading to the enhancement of public education

Legal Updates

SESC partners with Attorney Tim Crawford to keep you up-to-date on school law and policy.
