ISSUE PAPER

DATE:

May 18, 2026

AGENDA ITEM (ACTION ITEM):

Consider/Approve the proposed change to the District's boundaries within the Revere's Crossing Subdivision (Midnight Run & Boston Ln.) and Sherbourne Subdivision (Rising Ridge Dr.).

APPLICABLE BOARD POLICY:

Board Policy 09.11 - School Attendance Areas

HISTORY/BACKGROUND:

In an effort to improve transportation efficiency and allow services to be consolidated and aligned more consistently, the District is proposing boundary adjustments for twenty-five addresses on Midnight Run and Boston Lane within the Revere's Crossing subdivision in Independence and four addresses on Rising Ridge Drive within the Sherbourne subdivision in Erlanger. The primary purpose of this proposal is to improve the efficiency and continuity of transportation routes by eliminating situations in which multiple buses from different feeder patterns transport students within the same neighborhoods. The twenty-five impacted addresses on Midnight Run and Boston Lane are currently assigned to White's Tower, Woodland, and Scott. If approved, all residences within the subdivision would instead be assigned to White's Tower, Twenhofel, and Simon Kenton. Through communication with impacted principals and guardians, all have expressed overwhelming support for the adjustment. In this neighborhood, two currently enrolled students would experience a change to their school of residence; however, they would have the option to remain at their current school until naturally transitioning to the next level (e.g., middle to high school). The four impacted addresses (currently undeveloped) on Rising Ridge Drive are assigned to Summit View Academy and Scott. If approved, these addresses would instead align with Hinsdale, Turkey Foot, and Dixie. According to Planning and Development Services of Northern Kentucky, "access to these lot(s) shall only be provided from within the limits of the contiguous Flag Stem portion of the Lot(s) or from an existing, shared driveway." Additionally, there are no known plans to develop access to these lots from Pleasure Isle Drive or adjoining properties.
