**RE: Item for the JUNE Board Meeting - Request to Reclassify Full-Time Psychologist Vacancy to Two Part-Time Vacancies**

Troy Kolb, Director of Special Education, requests the conversion of one (1) current full-time Psychologist vacancy into two (2) part-time positions. Bullitt County Public Schools currently maintains ten (10) full-time School Psychologist positions; for the 2026–2027 school year, nine are filled, leaving one vacancy. This conversion aims to attract a broader pool of candidates who may require more flexible scheduling than a single full-time role allows.

**RE:** Part-Time School Psychologists

There are currently ten full-time School Psychologist positions in Bullitt County Public Schools. During the summer of 2025, three of these positions became vacant. During the 2025-2026 school year, these three vacancies remained unfilled. Two of these positions have been hired for the 2026-2027 school year, leaving one remaining position. At this time, there have been no additional applicants to fill this remaining position. I am requesting to shift our remaining full-time vacancy to two part-time School Psychologist positions in order to attract a broader audience of interest.
