Memorandum of Agreement Standard Terms and Conditions
Revised February 2026

1.00 Effective Date

All Memorandum of Agreements are not effective until the Secretary of the Finance and Administration Cabinet or his authorized designee has approved the agreement and until the agreement has been submitted to the government contract review committee. However, in accordance with KRS 45A.700, memoranda of agreement in aggregate amounts of \$50,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head if the agency has been granted delegation authority by the Secretary.

The Commonwealth will make payment within thirty (30) working days of receipt of contractor and/or subrecipient's invoice or of acceptance of goods and/or services in accordance with KRS 45.453 and KRS 45.454.

Payments are predicated upon successful completion and acceptance of the described work, services, supplies, or commodities, and delivery of the required documentation. Invoices for payment shall be submitted to the agency contact person or its representative.

2.00 Cancellation Clause

Both parties shall have the right to terminate and cancel this contract at any time not to exceed thirty (30) days' written notice served on the Contractor and/or subrecipient by registered or certified mail.

3.00 Funding Out Provision

The state agency may terminate this agreement if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the agreement. The state agency shall provide the Contractor and/or subrecipient thirty (30) calendar day's written notice of termination of the agreement due to lack of available funding.

4.00 Reduction in Contract Worker Hours

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. If under such authority the agency is required by Executive Order or otherwise to reduce contract hours, the agreement will be reduced by the amount specified in that document. If the contract funding is reduced, then the scope of work related to the contract may also be reduced

2600003651	Draft	Pers MOA-State Regional Literacy Director-Brittany Jones	Total Pages: 13

commensurate with the reduction in funding. This reduction of the scope shall be agreeable to both parties and shall not be considered a breach of contract.

5.00 Access to Records

The state agency certifies that it is in compliance with the provisions of KRS 45A.150, "Access to contractor and/or subrecipient's books, documents, papers, records, or other evidence directly pertinent to the contract." The Contractor and/or subrecipient, as defined in KRS 45A.030, agrees that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to this agreement for the purpose of financial audit or program review. The Contractor and/or subrecipient also recognizes that any books, documents, papers, records, or other evidence, received during a financial audit or program review shall be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884. Records and other prequalification information confidentially disclosed as part of the bid process shall not be deemed as directly pertinent to the agreement and shall be exempt from disclosure as provided in KRS 61.878(1)(c).

6.00 Violation of tax and employment laws

KRS 45A.485 requires the Contractor and/or subrecipient and all subcontractors performing work under the contract to reveal to the Commonwealth any final determination of a violation by the Contractor and/or subrecipient within the previous five (5) year period of the provisions of KRS chapters 136, 139, 141, 337, 338, 341, and 342. These statutes relate to corporate and utility tax, sales and use tax, income tax, wages and hours laws, occupational safety and health laws, unemployment insurance laws, and workers compensation insurance laws, respectively. Disclosure of any violations is required prior to the award of any state contract and throughout the duration of the contract.

Failure to disclose violations shall be grounds for the Commonwealth's disqualification of a contractor and/or subrecipient or subcontractor from eligibility for future state contracts for a period of two (2) years.

To comply with KRS 45A.485, the Contractor and/or subrecipient and all subcontractors performing work under this contract shall report any such final determination(s) of any violation(s) within the previous five (5) years to the Commonwealth by providing a list of the following information regarding any violation(s): (1) specific KRS violated, (2) date of any final determination of a violation, and (3) state agency which issued the final determination.
