Superintendent Prior Approval: Yes

Recommendation/Motion: A motion is in order to approve the college and career exploration platform contract renewal with Pathful, Inc., for 2026-2027.

Background/Rationale: The Pathful platform is used by students and teachers for purposes of work-based learning and college and career exploration in grades 6-12. The work-based learning management system supports the coordination of student placements, tracking compliance hours, managing employer partnerships, digital forms and evaluations, site visit documentation, and centralized reporting. The college and career platform includes career assessments, virtual job shadow videos, career profiles with labor market data, postsecondary planning tools, and employability skills lessons to help students discover and prepare for their future pathways. This is a contract renewal with Pathful, Inc., to continue with access to the program's assets for our students and teachers. Pathful is integrated into our Individualized Learning Plans (ILP) for students in grades 6-12 (a regulatory requirement) within our Elevate platform.

Strategic Priority:

- Student Achievement Unity, Belonging & Student Efficacy
 Highly Effective, Culturally Responsive Workforce
 Outreach & Engagement Organizational Health & Effectiveness
