Action Item for Vote (REGULAR MEETING)

**Superintendent Prior Approval:** Yes

**Recommendation/Motion:** A motion is in order to approve the contract for KEV Group for the FY 2026-2027 School Year

**Background/Rationale:** To ensure effective management of all school activity funds, the district adopted School Cash Online during FY 2024–2025. This platform is owned and supported by KEV Group, a leading provider of school financial management solutions.

**Strategic Priority:**

- Student Achievement     Unity, Belonging & Student Efficacy
- Highly Effective, Culturally Responsive Workforce
- Outreach & Engagement     Organizational Health & Effectiveness

**Data Considerations:** A dedicated school accounting system is legally/operationally required. Transitioning to a new platform at this time would incur unreasonable costs and is logistically impossible to implement by the July 1, 2026 deadline.

**Policy:** 1.11
