Re: Funding a .5 Lunchroom Monitor (170 days)

With the increase in student enrollment and added classrooms, we would like to request permission to add 30 minutes to our current lunchroom monitor's day for the 2026-2027 school year, utilizing SBDM Section 6 funds to cover the salary. The finance department has created a wage and calc form. SBDM approved using some of the fund to ensure there is support in the cafeteria for our students.

If you have any questions, concerns, or need additional information, please do not hesitate to contact me.

Sincerely,

Josh DeWar
