RE: Staffing Requests for SY 26-27

In order to support internal operations in each of our kitchens for SY 26-27 I am requesting the following additional staffing hours/positions for the kitchen locations specified below. Labor analysis data has been collected each month at these locations during SY 25-26; our current “Meals Per Labor Hour” analysis (MPLH) supports these additions. Funding for these staffing additions will come from Fund 51: School Nutrition Services.

MPLH data will be provided upon request.

- Requesting 1.5 labor hours for Brooks Elementary School to be posted internally (4 postings @ 0.25 hrs. each; 1 posting for 0.5 hrs.)

→ Total internal labor hours being requested: 1.5 hrs.
