RE: June Board Agenda: Shortened School Day Requests

The following information summarizes a student case for which the parents and medical professionals have requested a modified attendance schedule for a student with disabilities. The student is identified by number in order to maintain confidentiality. There is documentation of medical necessity for the modified schedule, and the modified schedule has been recommended for approval by the 504 Committee. Full documentation is on file in the office of Director of Special Education.

2526-11

This student has a diagnosis of Generalized Anxiety Disorder. A physician's statement was submitted recommending the implementation of a shortened school day schedule to accommodate the need for the student to regulate their emotions and maintain for the remainder of the day. A 504 Team meeting was held on 4/17/26, during which the implementation of a shortened day schedule was approved: Monday through Friday, 8:20AM to 2:10PM. The modified schedule was in effect until the end of the 2025-2026 school year.
