ASSESSMENT

- 100% of our students completed testing at DHS and LES for KSA. KSA data is released annually in the fall. The staffs from both schools worked extremely hard to complete testing and ensure a wonderful effort from our students!

OTHER TOPICS OF INTEREST

- Mr. Haskamp, Mr. Taylor, and I are attending “Cincy AI Week” from June 9th through the 11th.
- Megan and I are working with NKCES on the Innovative Approaches to Literacy grant.
- Both LES and DHS have submitted for the EducateNKY three-year partnership grant.
- SBDM training is occurring for both councils in July.
- NKY Works Educator Immersion Day on June 2nd. The day included informational sessions/tours with the NKY Chamber of Commerce, St. Elizabeth, LifeSciKY, STEP, CTI, Steinhauser Printing, New Riff, NKY Port Authority, several local economic development officials from the region.
- Summer professional development is currently ongoing for both schools. These include vertical development days between the two schools.
- A review of all instructional software in the district is occurring to eliminate redundancies and ensure teachers are able to pinpoint what is available to them.
