The Speech Language related services to be paid utilizing General Fund at a rate of 75.00 per hour / 80 hours per week for direct and virtual instruction for the 2026-2027. The 80 hours will be for two SLP's to be providing services to students at DACE and BLE.

History/Background:

It has proven very difficult to find a certified Speech Language Pathologist to be able to provide the required service to our students who have communication needs listed as part of their IEP. Due to the student need, and not having any applicants to apply for the position, virtual services are being sought to ensure that student's do not miss required services per their IEP.

exercise its rights upon such default or failure, or if the parties are involved in any litigation (including any proceedings in bankruptcy), the prevailing party shall be entitled to recover reasonable attorney fees and costs from the other party. This paragraph shall be enforceable by the parties notwithstanding any rescission, forfeiture, or other termination of this Agreement.

25. ENTIRE AGREEMENT

26. DISPUTE RESOLUTION

All participating agencies agree to resolve systemic disputes that arise in the provision of special education and Bell services in a non-adversarial manner and to ensure that using the following process to resolve interagency disputes does not disrupt services to students and families:

An individual or agency with a concern will first use the agency's internal procedures to address the concern.

If resolution is not achieved at the previous level, the issue and all relevant information will now be forwarded to the special education director of the School District and Bell's administrator.

If consensus is not reached at the previous level, the special education director will forward the issue and all relevant information to the superintendent of the School District.

If a concern is identified that is related to the quality of service or health and safety issues, schools should refer concerns about Bell, their services, or quality of services to the special education director and Bell's administrator to address these concerns.
