

Lincoln Elementary School
Board Report
June 2026

- **Summer Learning/Programming:**
 - Summer programming at Lincoln is in the final preparation stages. We currently have approximately 60 students signed up to participate in this learning program.
 - We are again coordinating efforts with our 21st Century all-day program trying to encourage students to participate in both the morning summer learning session in conjunction with the entire 21st Century Learning Program, which also includes club type activities and field trips!

- **New Certified Staff Members hired at Lincoln for the 26-27 school year:**
 - **Sam Monell** – Third Grade Teacher
 - **Ann Argo** – Special Education Teacher
 - **Angel Mason** – Unified Arts Teacher

- **Staff Learning at Lincoln!**
 - **Curriculum** – The LES teachers have been/will be coming in during the summer for 6 hours of professional learning to update their curriculum documents.
 - **Literacy** – Stefany Bragg, TRL Literacy Coach and Amanda Berringer, LES Literacy Coach will be coming in this summer to work with literacy teachers to dig into our school data and to reflect and enhance our instructional practices.
 - **Science of Reading Conference** - Some Lincoln staff members are signed up to attend a SOR Conference at Mount St. Joseph University in late June. This will prove to be such a beneficial experience for all and help continue to strengthen our learning.
 - **National Principals Conference** – Ms. Dragan and Mr. Chenot will be presenting and learning at the NAESP Conference in Orlando, Florida in July

- **Summer Outreach!**
 - **Surprise Ice Cream Trucks** – Using TWO school vehicles, we have/plan to drive around the entire town of Dayton surprising students, families, and community members with a cool ice cream treat! Our first one was held on Jun 5th and was a huge success. We look forward to adding another date closer to the beginning of school!
