Ref: Adding SRO Tyrone Gregory to monthly invoice

I am requesting to add SRO Tyrone Gregory to the monthly invoice we send to the Hopkins County School District. This invoice provides a breakdown of salary/wages for each SRO employed by MPD. All of our SRO's except Tyrone are retirees and so their hourly rates are all the same (\$29.01/hour). Tyrone has not retired yet therefore his pay is based on our longevity scale so it's a little higher (\$30.47/hour). Also, we are likely getting a 3% COLA from the City of Madisonville which would raise both rates slightly.

If the board approves, I would like to include SRO Gregory in the monthly invoice beginning July 1, 2026.
