

The Marion County Board of Education completed its annual evaluation of superintendent Chris Brady for the 2025-2026 school year. Marion County Public Schools continues to experience improvement in academic performance, facilities, as well as district fiscal responsibility and stewardship under Mr. Brady's strong leadership. As board members we will support Mr. Brady and the exceptional team of educators and staff as they work to pursue continued and consistent growth across all areas and drive Marion County Public Schools forward for years to come.
