

Bourbon County Board of Education,

The Bourbon County High School band has a few requests.

1. The band would like to host a vendor fair and car wash in the parking lots between the high school and middle school on July 11 from 12-6.
2. The band is attending a Bands of America regional in Louisville on October 3. We would like permission to spend the night in a hotel (TBD) and attend Kentucky Kingdom the following day.
3. The annual Colonel Classic Band competition is scheduled for October 10th. The band needs access to the entire campus. This includes all parking lots, stadium, and the use of both (high school and middle school) cafeteria and gym, plus the all purpose room.
4. The band is attending Bands of America Nationals again this year. We perform on November 13 with a possibility of another performance on the 14th. We are requesting to stay overnight in a hotel (TBD) by the Indianapolis Housing Bureau.

Thank you
Eric Hale
