Exit Survey - As in previous years, I am distributing exit surveys to families who have chosen to leave the district. The information gathered will help us better understand why families are leaving and allow us to develop goals and strategies to improve family retention.

At this time, only four families have completed the survey. We are hopeful that more families will participate so we can accurately evaluate the data and identify meaningful trends.

Out-of-District Student Enrollment Status Update - Notifications regarding enrollment status were sent to out-of-district families on May 22. Each building leadership team participated in the review process for out-of-district students. During these reviews, we evaluated each student's behavior, academic performance, and attendance.

Code of Conduct – The updated Code of Conduct will be on the July board agenda for approval. I am currently working to make edits suggested by the committee and add any new legislative updates. Once those changes have been made, I will send it to the committee for one last review before submitting it for approval.

Family Friendly Certification - School portfolios have been submitted and we are waiting to hear results.

FRYSC/YSC District Contact Update - Danielle Carr has submitted her letter of resignation. We will be starting the hiring process over the next few weeks. We appreciate all of her hard work and the support she has provided to our school, families, and community.
