Melissa Goins, Director
Division of Family Resource & Youth Services Centers
Cabinet for Health and Family Services
275 East Main Street, 3 CG

Dear Ms. Goins,

The Family Resource and Youth Service Centers (FRYSC) of Jefferson County Public Schools are requesting permission to continue the alternative funding distribution process for FY27. This process is vital to ensure ongoing support for our students. Without it, salaries and center operations would be severely affected.

The alternative funding allows us to keep our FRYSC Centers operating and providing essential assistance to thousands of students and their families. As the needs of our students and families continue to grow, we aim to offer as much support as possible to help remove barriers to student achievement. By utilizing the alternative funding distribution, we can effectively address these increasing needs and continue our mission of support.

I appreciate your consideration of the request.

Sincerely,

Gwen Goffner, Manager
Family /resource & Youth Services Centers
Jefferson County Public /schools
