Recommended CCHS Band Room System, Music Stand Carts, Music Stands, New Digital Mixer, and Digital Snake.

Same mixer and rack components as the choir room for a compact - stationary system without the need to use any existing large-format mixers. Lower-profile, and smaller footprint for better space efficiency while maintaining useability and quality.

In order to approve this proposal and begin the ordering process a signed and dated copy of this proposal as well as one of the following is required:

For schools: an approved and signed copy of a purchase order is required.

For all other customers: a 50% deposit for the entire scope of work is required.
