Memorandum of Agreement

This memorandum of Agreement is entered into by the Hopkinsville Golf and Country Club (HGCC) and the Christian County Public Schools in Hopkinsville, Kentucky, for the benefit of the Christian County High School (CCHS) Boys and Girls golf teams.

The Hopkinsville Golf and Country Club hereby agrees to allow both the CCHS Boys and Girls golf teams to practice and play matches at HGCC with the following conditions:

- The dates that the CCHS Golf Teams may utilize the golf facilities at HGCC are limited to the official golf season as defined by the KHSAA, and do not cover pre-season gatherings of any kind.
- All practice schedules and match dates must be approved by HGCC.
- Players who are not members or junior members of HGCC may attend only organized practices, matches, and tournaments with an approved coach present.
- Non-members may not use the club or play golf by paying a greens fee on a pay-for-play basis.
- Non-members may only participate in HGCC programs if properly registered and paying the appropriate entry fees. This includes programs such as Operation 36 and open tournaments.
- Student athletes (non-members) have the option to purchase an HGCC Junior Membership for \$800 that would allow them to use the club year-round.

In consideration for the use of the golf facilities at HGCC, Christian County High School agrees to pay \$2,000 per high school golf season. This check can be made payable to HGCC and mailed to the address of 303 Country Club Ln, Hopkinsville, KY 42240.

This agreement is hereby entered into by:

Mark E. Pyle
General Manager
Hopkinsville Golf and Country Club

Ken Carver, Principal
Christian County High School
