

Master of Science in Athletic Training Program

Preceptor Memorandum of Understanding

Whereas Spalding University's Master of Science in Athletic Training ("MSAT") has a current Affiliation Agreement with KORT ("Affiliation site"), incorporated herein by reference and attached hereto, for the training and education of MSAT students, and Affiliation site has an agreement to provide professional Athletic Training services to Marion County High School ("Preceptor site") (collectively, "the Parties"), this Preceptor Memorandum of Understanding ("MOU") serves to inform all parties of the contractual relationships for MSAT student educational experiences.

Spalding University agrees to inform all parties of the dates when an MSAT student is engaged in training and educational experiences with Affiliation site.

Spalding University agrees to inform Preceptor site of the dates when an MSAT student is engaged in training and education experiences at the Preceptor site.

Spalding University agrees to have all MSAT students engaged in training and educational experiences with Affiliation site provide ready access to up to date criminal background checks, valid and updated immunization records, CPR and safety training records, professional insurance and personal health insurance records, as requested.

Spalding University agrees that MSAT students will be subject to all applicable policies of the Preceptor site, including dress code, while participating in a clinical experience at the Preceptor site. The Preceptor site may immediately remove from the premises any MSAT student who poses an immediate threat or danger to patients, staff, visitors, students, the premises or the public. Additionally, MSAT students may be dismissed from the clinical setting if the Certified Athletic Trainer employed by Affiliation site or the Clinical Education Coordinator reasonably determine that the behavior displayed by the student is inappropriate to the clinical setting. If the Certified Athletic Trainer seeks to dismiss a student from the clinical setting, the Certified Athletic Trainer must notify the Clinical Education Coordinator immediately of the inappropriate behavior and the MSAT student's dismissal.

Affiliation site shall maintain an up to date professional service agreement with Preceptor site.

Preceptor site agrees to allow Spalding University MSAT students to engage in training and educational experiences with a Certified Athletic Trainer employed by Affiliation site during professional service provision at Preceptor site. At no time will MSAT students engage in training and educational experiences at Preceptor site without supervision by a Certified Athletic Trainer employed by Affiliation Site.

By signing below, the Parties agree that the terms of this Preceptor Memorandum of Understanding are acceptable.
