EXTENSION SUMMARY

May 7, 2026

Jennifer Wheeler
Food Service Director
Marion County Public Schools
755 East Main
Lebanon, KY 40033

Dear Jennifer Wheeler,

We sincerely appreciate the opportunity to continue serving the Marion County Public Schools Food Service Department. Per the renewal clause in your RFP, we are pleased to confirm our partnership for the 2026-2027 school year.

While supply chain conditions have stabilized, ongoing inflationary pressures and rising raw material costs continue to impact operating expenses. We have worked to absorb these increases where possible; however, modest pricing adjustments are necessary to maintain the high level of service and quality your district expects.

The pricing for your sanitation system(s) for the 2026-2027 school year is outlined below:

SFSPac:	7	Cost/Month:	\$1,120.00	Annual Cost:	\$11,200.00
Warewash:	7	Cost/Month:	\$1,001.00	Annual Cost:	\$10,010.00
		Total/Month:	\$2,121.00	Total Annual:	\$21,210.00

As in the past, we offer a **1% discount** for Annual Payments.

Please confirm this extension by signing below and returning a copy to our office via email (melissa@smart-4.com) or fax (574-257-0895). If applicable, please include an updated Purchase Order number.

We value our partnership and look forward to supporting your team in the year ahead. Please reach out with any questions.

Sincerely,

Michael Miller
President
