PAID MATERNITY LEAVE ([KRS 161.155](#))

The District shall provide up to thirty (30) paid maternity leave days for a teacher or employee who gives birth to a child. The maternity leave days shall be used without deduction of salary and shall be used prior to the teacher or employee using any other leave. Any maternity leave days unused by the teacher or employee shall not transfer into sick leave or be converted to any other leave type and shall expire upon return to work. This shall not limit the District's authority to establish additional paid maternity benefits or to provide paid parental leave benefits. Therefore, the district also allows this for the adoption of a child and paternal leave.

PAID SICK LEAVE

Childbirth and recovery therefrom, which prevent the employee from performing assigned duties, shall entitle the employee to sick leave benefits as provided in Board Policy 03.1232.

An illness of the newborn shall entitle the employee to sick leave benefits as provided in Board Policy 03.1232.

An employee may use up to thirty (30) days of sick leave immediately following the birth or adoption of a child or children. Additional sick leave days may be used when the need is verified by a physician's statement.

UNPAID LEAVE ([KRS 161.770](#))

On written request, the parent of a newborn or the employee who adopts a child or children shall be granted unpaid leave of absence not to exceed the remainder of the school year in which the birth or placement occurred. Thereafter, leave may be extended in increments of no more than one (1) year, not to exceed two (2) consecutive school years.

Employees on maternity leave shall notify the Superintendent in writing of their intent to return to the school system on or before the date prescribed in Policy 03.123. Employees who fail to notify the Superintendent of their return by the date prescribed in Policy 03.123 cannot be guaranteed employment for the following school year.

Employees taking a maternity leave will be entitled on return to a comparable position for which they are qualified. Placement in the same position or the same school cannot be guaranteed.

FMLA

In compliance with the Family and Medical Leave Act of 1993, eligible employees are entitled to up to twelve (12) workweeks for unpaid leave to care for the employee's child after birth or placement of a child with the employee for adoption or foster care. Leave to care for an employee's healthy newborn baby or minor child who is adopted or accepted for foster care must be taken within twelve (12) months of the birth or placement of the child.

REQUEST FOR MEDICAL INFORMATION

Per [KRS 161.770](#), the Board may only request medical information necessary to decide whether to grant a leave of absence; shall not request or retain unnecessary medical information; and shall not disclose any medical information received, except as permitted by state and federal law.
