The 2026–2027 Code of Conduct was reviewed, and all recommended and required revisions have been incorporated. The updated Code of Conduct has been placed on the July Board agenda for approval.

Enrollment inquiries have begun to increase as we approach the start of the school year. We are hopeful that enrollment will continue to grow before the school year

begins. We are still waiting for several incoming ninth-grade students from Southgate to complete their enrollment.

Exit Survey - I am still distributing exit surveys to families who have chosen to leave the district. The information gathered will help us better understand why families are leaving and allow us to develop goals and strategies to improve family retention.

FRYSC/YSC District Contact Update - Gabby Schwainger has been selected as the new Youth Service Center (YSC) Coordinator at Bellevue High School. She worked closely with Danielle Carr to ensure a smooth transition into her new role.

With Gabby's move to the high school, the Family Resource and Youth Services Center (FRYSC) Coordinator position serving Grandview and Southgate has been posted. We will begin the hiring process over the next few weeks to fill the vacancy.
