Instruction

Dolly Parton Imagination Library Update

- **172** active registered children are currently receiving ***a new book each month*** through our district's Dolly Parton Imagination Library account.
- **117** children have successfully graduated from the program after completing their participation.
- **March Stats:**
 - 170 active enrolled children
 - 102 program graduates
- Active enrollment continues to grow while the number of program graduates has also increased.
- Overall, the Dolly Parton Imagination Library continues to expand its impact by promoting early literacy and supporting children and families throughout our district.

Attendance Goals

- Promote the importance of being at school when possible.
- District attendance goal of 94% for all students.
- Utilizing doctor notes, parent notes and EEO to prevent truancy issues.
- Understanding that chronic absenteeism includes EXCUSED & UNEXCUSED absences.
