Consent Agenda Item (Action Item):

Please consider/approve the first reading of a policy that requires parent or guardian authorization for all students, regardless of age, to check out during the school day. This requirement remains in effect until students are officially withdrawn, emancipated by court order, or have graduated from the district.

Applicable State or Regulations:

Board Policy 01.11 General Powers and Duties of the Board.

Fiscal/Budgetary Impact:

None

History/Background:

The current policy does not specifically address students who are eighteen (18) years of age, creating potential ambiguity in its interpretation and enforcement. Clarifying that parent or guardian authorization is required for all enrolled students, regardless of age, will ensure consistent application of the policy, enhance student safety, and strengthen the District's risk management and liability protections

Recommended Action:

To approve as presented.
