RE: Instructional Tutor

Bullitt Central would like to use Title1 funds to hire an Instructional Tutor for the 26-27 school year. This position would be responsible for working with students, and collaborating with teachers, who need intervention based on academic and non-academic data points that indicate a more intensive level of support to be successful toward high school graduation. This position would be for 7 hours a day for 183 days and would be paid for out of Title1 funds. This position was discussed and approved at the SBDM meeting on June 29, 2026.
